LILAC PEDESTRIAN BRIDGE TO CLOSE DURING SUMMER MONTHS

Route 210 construction will require the closure of the Lilac pedestrian bridge in Rialto for improvements. Starting June 19, the Lilac pedestrian bridge will close for the summer to allow crews to complete fencing, lighting, drainage and sound wall improvements. Signs have been posted to direct pedestrians to Cactus Avenue as a temporary route. The pedestrian bridge will reopen prior to the beginning of school in late August.

For more project information, call the Route 210 toll-free helpline at 1-866-HELP-210 or visit the SANBAG website at www.sanbag.ca.gov. SANBAG and Caltrans appreciate your patience during construction of this new freeway. Please allow extra time when traveling through the construction area and follow all signs and detour routes.

Remember, Safety: It's no accident!
